

As part of the requirements for nursing, you must complete the TEAS before your application will be reviewed by the Nursing Department. The TEAS is a timed, standardized computer test, covering English, reading, math and science. Allow 3 ½ hours for the test. If you feel you need additional study materials, you can find TEAS Version 6 study guides at most local bookstores.

There is a \$55 test fee, which must be paid before you sit for the test. Checks can be made out to The University of Saint Francis. All group tests will be in Doermer 004.

Please return the bottom portion of this form along with your non-refundable \$55 registration fee as soon as possible to reserve your group test time. (Fee is non-transferable and valid for one date only. Spaces are limited). **Reservations and testing fee must be received one week prior to testing date.** Confirmation of your test time will come by mail. **Photo ID is required at the time of test.** If you are unable to attend a group test date, please contact your counselor.

Thank you again for your interest in the University of Saint Francis nursing program.
